

REMARKS

Applicants made an earnest effort to place the pending claims 1, 4-6, 15-24 and 27-42 of this application in condition for allowance.

Double Patenting Rejection

The Examiner states that the only ground of rejection is the judicially created doctrine of obviousness type double patenting over various claims of US 6,528,477; US 6,589,926; and US 6,521,577.

Applicants submit herewith a terminal disclaimer over the patents cited above to overcome the remaining rejections and place the present application in condition for allowance.

CONCLUSION

Applicants have made an earnest effort to place the pending claims 1, 4-6, 15-24 and 27-42 of this application in condition for allowance.

In the event that issues remain prior to allowance of the noted claims, the Examiner is invited to call Applicants' undersigned attorney to discuss any remaining issues.

Respectfully submitted,
FOR: Kasturi et al.
